Protection for items not received

When you ship to the address on this page and provide proof that the item was delivered and signed for, you're protected against claims for items not received. For complete requirements, see [terms](#).

We recommend that you:

- Contact the buyer to confirm the purchase and validate the shipping address
- Use a [shipping service](#) with signature confirmation

No protection for unauthorized payments

Because Giovanni Caporaso's address isn't confirmed, you won't be protected if this turns out to be an unauthorized payment.

Before shipping, we recommend that you contact Giovanni Caporaso to make sure this payment was authorized. Most of the time, shipping to an unconfirmed address is fine. But, we always encourage you to help protect yourself.
